## Create A WNC Fund Drive Event

Do you love to come up with innovative ideas and support your neighbors and local businesses whenever you can? If so, we would also love to brainstorm with you about creative fund drive possibilities to support WNC in our mission to provide daily necessities and services to all within our community. Some drive events our community partners and volunteers have held for a WNC in the past include:

- Coin jar change drives and penny drives at local businesses and schools
- Community aluminum can drive collection
- Bake sales at local schools and businesses
- Raffle ticket and 50/50 ticket sales a local sporting events
- Birthday party gift donations (in lieu of birthday presents, children have asked for laundry soap, toiletries, and other common household items to donate to WNC)
- Local businesses donating a portion of daily sales to WNC
- Car Wash with all proceeds going to WNC

Please contact us at (608) 849-5740 to discuss your creative event ideas. We would love to add your new social event or fundraising drive to our event lists soon!
